

**DECLARATION**

As below named inventor, I, YVES CHARLIER, hereby declare that:

My residence address and citizenship are as stated below next to my name;

I believe I am the original, first and sole inventor of the subject matter which is described and claimed and for which a patent is sought on the invention, design or discovery entitled: POLYPROPYLENE HAVING IMPROVED LONG CHAIN BRANCHING, the specification of which was filed on March 20, 2000, as International Application No. PCT/EPO 00/02573, and on September 19, 2001, as U.S. Application Serial No. 09/936,980.

I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above;

I do not know and do not believe that said invention, design or discovery was ever known or used in the United States of America before our invention or discovery thereof, or patented or described in any printed publication in any country before our invention or discovery thereof, or more than one year prior to this application, or in public use or on sale in the United States of America more than one year prior to this application; that said invention, design or discovery has not been patented or made the subject of an inventor's certificate issued prior to the date of this application in any country foreign to the United States of America on an application filed by my legal representatives or assigns; and that I acknowledge my duty to disclose information of which I am aware which is material to patentability in accordance with 37 C.F.R. Section 1.56(a).

I hereby claim foreign priority benefits under 35 U.S.C. Section 119 of the foreign application(s) for patent or inventor's certificate listed below and have also identified below the foreign application for patent or inventor's certificate having a filing date before that of the application for which priority is claimed:
